About this property

Residential land for sale in Xaithany district, Vientiane capital

A plot of land with a size of 31,171 sq. m. The property has an exceptional panoramic view of the nature, meadows and villages. The plot is located on the developed area which borders with a good road. The electricity and water could be provided by the existing infrastructure in the area. Xaithany municipality has a large territory. There are many new houses surrounding this area. Recently, it is planted with rice, but it is easy to transform it into your construction site as you planned. It might be suitable for building your house or operating some business activities such as restaurant or gas station. If you decide to operate business, it provides you a good profit for you in the future because it is situated at excellent point for running business.

Our services

We are a reputable company with many years of experience in the real estate business. Thus, we will be with you not only during the purchase process, but also after the deal is completed, providing you with a wide range of additional services for your requirements and needs, so that you can fully enjoy your life.

To book a premium property advertising product contact your real estate agent.
