Land for Sale

Not very often you get the opportunity to purchase a nice land with an area of 487 sqm at such a reasonable price. Furthermore, it also has a one storey house which has already been built on it! A house provides bedroom, bathroom, kitchen and relaxing area. The walls are made of cement, the flooring is tile, and the windows' frames are wooden. However, it has needed some renovation or refreshment before move in! Or you can demolish it to build a new one. It also provides a water supply system and electricity. The great advantage is its location in a safe community, close to the market, hotel, school and restaurant. There is an easy access to the property provided by a good road. The property is very suitable for living.
