About this property

Residential land for sale

Wegofa in Lao sells a plot of agricultural land with an area of 1818 sq.m, located near the key point in the city. The property offers scenic views of the nature and field. The water and electricity are easy to connect in this area; the land is planted with rice. However, also suitable for cultivating corn, wheat, maize and others. It is located on a dirt road. The property reveals beautiful views over the fields and the nature in the distance. Its indisputable advantages are the large size and the proximity to public faculties such as a market, hotel, school and other. Furthermore, it also offers you a variety of options for investment projects. In addition to the beautiful scenery, the peace, quietness and the proximity to facilities, the region attracts buyer with its excellent conditions for living.
