### About this property

#### **Residential land for sale in Sisattanak municipality, Vientiane capital.**

Our company is selling a plot of residential land with an area of 1,900sq.m, situated on a picturesque village which belongs to Sisattanak municipality, Vientiane capital. The great advantage of the property is the beautiful and spacious views of village, which open from here. The plot is located in the developed area, near the important places in the city and is suitable for the construction of a residential house or villa. The plot can be immediately transformed into your house construction site, because it is very flat and surrounded by fence. Recently, it is planted with grasses and some species of trees such as coconut trees, mango trees, banana trees and etc. This village is a part of nice municipality. The offered plot is set close to the public facilities, which has hotel, bank, school, restaurant and places where you can buy food, drinks and every things as you wants. Furthermore, it also is equipped with daily amenities and offers beautiful and untouched nature landscapes.
