About this property

Agriculture land for sale in Xaithany district, Vientiane capital

We would like to offer a place for cultivating rice and crops or building your dream home or operating your project in close proximity to the key point in Vientiane capital, amongst the silence and beauty of the nature. The plot has an area of 2,100 sqm which is planted with rice at the moment, but you can start building immediately. Furthermore, you can change into restaurant construction sites or other as you decide! In addition, there are plans for further investment in the infrastructure and development of the area. In close proximity there are also existing developments like a market, bank, school, hotel and restaurant. Importantly, the property is an exceptional investment offer for a variety of successful business projects.

If you like it! Please contact the responsible estate agent for more information about the purchase procedure and the payment methods.

To book a premium property advertising product contact your real estate agent.
