About this property

Spacious plot of land (2.276,00 sq.m.) with excellent location. The property is suitable for agricultural purposes, construction of your house or storehouses as well as other investment projects, taking advantage of the fact the area is forming as an agriculture area used for cultivation. The plot is located close to electricity and water. Currently the land is in status of paddy field, but you can change it for your construction. The great advantage of our today offer is easy access, which you can take advantage of as the future owner of this plot of land.
