About this property

Residential land for sale in Hatxayfong district, Vientiane capital.

We are presenting a rare investment opportunity for a well-sized plot of land in Hatxayfong district which has quick development. The plot is easily accessible on an asphalt road and all necessary communications like electricity, water and telephone connections are available. Around the plot are located various workshops, house, stores and other. In our opinion this plot is an excellent buy for a speculative investor looking for a profitable opportunity to earn significant funds from a future re-sale in 2 or 3 years. Another interesting opportunity for the buyer is to build your family house. This is indeed a rare opportunity and early decision is recommended.
