About this property

Today our offer includes an attractive plot of land suitable for the construction of a private house. Its indisputable advantages are the beautiful views to the village, which opens from here and the proximity to the important place in the city. The plot has an area of 3.200 sq.m. And is located on an asphalt accessible road in a developed village, equipped with all amenities - market, bus station, airport, bank, hospital, school, restaurant, gasoline station, public transport. Furthermore, there are electricity and water system in short distance from the described property.

The proximity to a variety of basic amenities is in great combination with the availability of beautiful view surroundings with excellent conditions for living

Our services

We are a reputable company with many years of experience in the real estate business. Thus, we will be with you not only during the purchase process, but also after the deal is completed, providing you with a wide range of additional services for your requirements and needs, so that you can fully enjoy your life

To book a premium property advertising product contact your real estate agent.
