About this property

The best place for organic coffee plantation in Laos! We want to sale our farm

We have a farm and agriculture land with nice price for sale. It covers an area of 41,000 sq. m. The region is characterized by its fertile soil, clean air and beautiful nature. The land is black earth, good soil, so is not suitable only for planting coffee, but it also suitable for planting some crops like corn, sunflower, sugar cane and other crops. On the other hand, you can change it into construction sit like a resort, restaurant or hotel. The area is rich in beautiful nature and good environment. This lovely plot of land is disposed not far from the important point in city. The district itself is small but well-developed and has the most necessary facilities: some shops, market, school and restaurant. It is very beautiful place. You can look over to nature view from this land. It offers excellent conditions for cultivating.
