About this property

We would like offer a nice two- storey house with a reasonable price. The property has 140 sq. m of building up area, which built in a plot of land with a size of 150 sq. m. Its ground floor is suitable for developing of different kind of business as a shop for selling products, drug store, copy shop and etc; the second floors consist of 2 bedrooms and 2 bathrooms. The entire electricity and water supply system, air condition and electric hot water have been replaced as well as the foundations on the floors and the roof construction were solid. This house is built in pretty style, but it should be renovated. This area has a good infrastructure and environment. Many new building, public service and office are close to this property including market, hotel, bank, hospital, school, bus station, restaurant and university.
